Prominence Point Development Partners, LLC.

LETTER OF INTENT

Dear Steve:

I represent the applicant in regard to the above-described Annexation, Rezoning and CUP Application for five (5) parcels located, more or less, at 620 Prominence Point Parkway. The property is currently zoned AG in the county and the applicant proposes to annex the property and rezone it to RA-8 for 124 townhomes. The property is on Prominence Point Parkway which is an arterial road with direct access to two shopping centers and the interstate. The area is within a Suburban Development area on the land use plan which anticipates this type of development. The homes that are adjacent to Prominence Point Parkway will be rear entry homes with their facades facing the parkway for an attractive and inviting streetscape. The community will have an amenity area for the residents. This new neighborhood will welcome new Canton residents in an area that anticipates this type of density given the quick access to the interstate.

Please let me know if I can provide any additional information.

TO THE CITY OF CANTON MAYOR AND COUNCIL
CITY OF CANTON, GEORGIA

CONSTITUTIONAL CHALLENGE

COMES NOW, 620 PROMINENCE POINT DEVELOPMENT
PARTNERS, LLC, hereinafter referred to as the "Applicant", and asserts the following, to
wit:

1.

By application to which this exhibit relates, the Applicant has applied for
Annexation and a Rezoning of certain real property lying and being within unincorporated
Cherokee County, Georgia, a more particular description and delineation of the subject
property, hereinafter referred to as the "Property", being set forth in said Applications.

2.

The Application for Rezoning of the property seeks a rezoning from the
existing category of AG, as established by the governing authority of Cherokee County,
Georgia to the zoning category of RA-8 in the City of Canton.

3.

The current AG zoning classification of the property and all intervening
classifications between same and RA-8 as proposed are unconstitutional in that they deprive
the Applicant under and pursuant to Article 1, Section I, Paragraphs I and II of the Georgia
Constitution of 1983 and the Equal Protection and Due Process clauses of the Fifth and
Fourteenth Amendments to the Constitution of the United States. This deprivation of
property without due process violates constitutional prohibitions against the taking of private
property without just compensation.

4.

The zoning classification of AG and all intervening classifications between same and RA-8 as proposed as they presently exist violate the Applicant's right to the unfettered use of the property in that the existing zoning classifications do not bear a substantial relation to the public health, safety, morality or general welfare and is, therefore, confiscatory and void. Further, said classifications are unconstitutional in that they are arbitrary and unreasonable, resulting in relatively little gain or benefit to the public, while inflicting serious injury and loss upon the Applicant.

5.

The City of Canton's Unified Development Code is further unconstitutional in that the procedures contained therein pertaining to the public hearings held in connection with zoning applications also violates the aforementioned constitutional provisions in that said procedures contain the lack of procedural and evidentiary safeguards, do not restrict evidence received to the issues at hand and are controlled wholly and solely by political considerations rather than the facts and considerations required by law.

Respectfully submitted, this the 1 day of March, 2022.

LETTER OF INTENT

Dear Steve:

I represent the applicant in regard to the above-described Annexation, Rezoning and CUP Application for five (5) parcels located, more or less, at 620 Prominence Point Parkway. The property is currently zoned AG in the county and the applicant proposes to annex the property and rezone it to RA-8 for 124 townhomes. The property is on Prominence Point Parkway which is an arterial road with direct access to two shopping centers and the interstate. The area is within a Suburban Development area on the land use plan which anticipates this type of development. The homes that are adjacent to Prominence Point Parkway will be rear entry homes with their facades facing the parkway for an attractive and inviting streetscape. The community will have an amenity area for the residents. This new neighborhood will welcome new Canton residents in an area that anticipates this type of density given the quick access to the interstate.

Please let me know if I can provide any additional information.

property, hereinafter referred to as the "Property", being set forth in said Applications.

2.

The Application for Rezoning of the property seeks a rezoning from the
existing category of AG, as established by the governing authority of Cherokee County,
Georgia to the zoning category of RA-8 in the City of Canton.

3.

The current AG zoning classification of the property and all intervening
classifications between same and RA-8 as proposed are unconstitutional in that they deprive
the Applicant under and pursuant to Article 1, Section I, Paragraphs I and II of the Georgia
Constitution of 1983 and the Equal Protection and Due Process clauses of the Fifth and
Fourteenth Amendments to the Constitution of the United States. This deprivation of
property without due process violates constitutional prohibitions against the taking of private
property without just compensation.

4.

The zoning classification of AG and all intervening classifications between same and RA-8 as proposed as they presently exist violate the Applicant's right to the unfettered use of the property in that the existing zoning classifications do not bear a substantial relation to the public health, safety, morality or general welfare and is, therefore, confiscatory and void. Further, said classifications are unconstitutional in that they are arbitrary and unreasonable, resulting in relatively little gain or benefit to the public, while inflicting serious injury and loss upon the Applicant.

5.

The City of Canton's Unified Development Code is further unconstitutional in that the procedures contained therein pertaining to the public hearings held in connection with zoning applications also violates the aforementioned constitutional provisions in that said procedures contain the lack of procedural and evidentiary safeguards, do not restrict evidence received to the issues at hand and are controlled wholly and solely by political considerations rather than the facts and considerations required by law.

Respectfully submitted, this the 1 day of March, 2022.

LETTER OF INTENT

Dear Steve:

I represent the applicant in regard to the above-described Annexation, Rezoning and CUP Application for five (5) parcels located, more or less, at 620 Prominence Point Parkway. The property is currently zoned AG in the county and the applicant proposes to annex the property and rezone it to RA-8 for 124 townhomes. The property is on Prominence Point Parkway which is an arterial road with direct access to two shopping centers and the interstate. The area is within a Suburban Development area on the land use plan which anticipates this type of development. The homes that are adjacent to Prominence Point Parkway will be rear entry homes with their facades facing the parkway for an attractive and inviting streetscape. The community will have an amenity area for the residents. This new neighborhood will welcome new Canton residents in an area that anticipates this type of density given the quick access to the interstate.

Please let me know if I can provide any additional information.

CITY OF CANTON, GEORGIA

CONSTITUTIONAL CHALLENGE

COMES NOW, 620 PROMINENCE POINT DEVELOPMENT
PARTNERS, LLC, hereinafter referred to as the "Applicant", and asserts the following, to
wit:

1.

By application to which this exhibit relates, the Applicant has applied for
Annexation and a Rezoning of certain real property lying and being within unincorporated
Cherokee County, Georgia, a more particular description and delineation of the subject
property, hereinafter referred to as the "Property", being set forth in said Applications.

2.

The Application for Rezoning of the property seeks a rezoning from the
existing category of AG, as established by the governing authority of Cherokee County,
Georgia to the zoning category of RA-8 in the City of Canton.

3.

The current AG zoning classification of the property and all intervening
classifications between same and RA-8 as proposed are unconstitutional in that they deprive
the Applicant under and pursuant to Article 1, Section I, Paragraphs I and II of the Georgia
Constitution of 1983 and the Equal Protection and Due Process clauses of the Fifth and
Fourteenth Amendments to the Constitution of the United States. This deprivation of
property without due process violates constitutional prohibitions against the taking of private
property without just compensation.

4.

The zoning classification of AG and all intervening classifications between same and RA-8 as proposed as they presently exist violate the Applicant's right to the unfettered use of the property in that the existing zoning classifications do not bear a substantial relation to the public health, safety, morality or general welfare and is, therefore, confiscatory and void. Further, said classifications are unconstitutional in that they are arbitrary and unreasonable, resulting in relatively little gain or benefit to the public, while inflicting serious injury and loss upon the Applicant.

5.

The City of Canton's Unified Development Code is further unconstitutional in that the procedures contained therein pertaining to the public hearings held in connection with zoning applications also violates the aforementioned constitutional provisions in that said procedures contain the lack of procedural and evidentiary safeguards, do not restrict evidence received to the issues at hand and are controlled wholly and solely by political considerations rather than the facts and considerations required by law.

Respectfully submitted, this the 1 day of November, 2022.
