Agenda Item Title:

Discussion and Possible Action to Approve Surplus of Vehicles/Equipment for the 2024 Government Auction

Summary:

Auction date is April 27, 2024 at the Cherokee County Fair Grounds. All items on the list have either reached their useful life and/or require repairs of which are probably not economically feasible considering the asset's age and condition. We would like to ask that consideration be provided to approve these assets at the March 21st meeting, which would give staff sufficient times to prepare these assets (e.g., remove decals, lights, equipment, etc.).
