Agenda Item Title:

Discussion of WastePro's Request to Amend the City's Agreement for Solid Waste Collection Services

Summary:

The City and Wastepro are coming to the end (Sep 30, 2025) of their initial three year term to provide waste services to Canton residents. After this initial three year term, the contract calls for an automatic extension of two (2) years, unless other agreements are met. Also, please recall that the agreement with Wastepro allows for a CPI increase each year's anniversary on October 1st. Wastepro opted to waive any rate increase during last year's anniversary on October 1, 2024, thus not changing service charges to Canton residents.

Attached is a proposed amendment to the Contract by Wastepro that will extend the agreement for three (3) years, and also being proposed is a cap on this year's CPI to 2.5%.
