City Attorney Bobby Dyer suggested beginning with a review of Chapter 2 – Administration and then cleaning up other chapters by removing ordinances which are no longer applicable or needed. This could be done by looking at multiple chapters at a time. City Manager Billy Peppers stated the Committee should also review specialty items such as Airbnb licenses, scooter regulations, and nuisance ordinances. These items can be brought to the Committee as they come up from staff. Councilmember Carlan and Mr. Dyer discussed reviewing each chapter. Mr. Dyer stated the administration chapter may take several meetings to review. The Committee agreed to begin their review of the ordinances with Chapter 2. The Committee and staff discussed making sure the City's ordinances do not conflict with the Charter and stated they will recommend changes to Council as they proceed through the review. The next meeting has been scheduled for Thursday, October 28th at 10:00 a.m. and will be held virtually.
