- A. 149 Prominence Point Parkway - Request to place a monument sign within 30 feet of right of way on a corner lot - Rohall Hada

Attachments: [VAR2407-011](#)

S. Green presented the application. It was noted that the building is finished. The sign location should have been considered in the design phase of the site. Was the sign shown on the original site plan? Make sure the sign is not within the r-o-w.

5. Discussion of Case VAR2407-013

- A. 731 East Main Street - Request to reduce rear setback for a covered porch - Lee and Caroline Oliver

Attachments: [VAR2407-013](#)

S. Green presented the application. Items discussed were the size of the lot, fire issues and if it could be conditioned to the area not being enclosed.

6. Discussion of Case VAR2407-014

- A. 731 East Main Street - Request to reduce front setback for house/porch addition - Lee and Caroline Oliver

S. Green presented the application. The proposed addition will not extend any further than the current structure. The shape of the lot is awkward. Road widening over the years has reduced the size of the front yard.
