C. Downtown Development Authority

Velinda reports that things are moving along.

D. Cherokee Art Center

6. Old Business

A. First Friday

July was rescheduled due to the possibility of severe weather. It was not accepted well with potential attendees. The decision was based on the information we had at the time. Cory and Jack Shampine volunteered to take care of the 'No Parking after 3:30 signs' for August and September

B. Farmers Market

Everything going well. Cherokee County Farm Bureau Watermelon Day is July 10th. A discussion was held that we would strongly encourage Farm Bureau to provide their own tent and staff their booth.

C. Downtown Canton Cash Mob

The next business will be revealed August 8th.

D. Market at Menagerie - July 17

Signs have been made to place at the Farmers Market and street leading to Menagerie on Main. Rachel said that it seems people aren't finding their way there very well once they get to Panera. Hopefully the signs will help.

E. Monroe/Madison Road Trip Training

Velinda said everyone that attended the Road Trip had the same take-away idea. Focus on building up the area surrounding Main Street. Many agreed to ask Monica Callahan to visit Canton for the day and lead a workshop on how we can grow the area.

F. Main Street Mingle - July 14 - 5:30 - Practically Perfect Day Spa

Velinda said she is going to contact Branchwater and/or Nava regarding food for the Mingle
