JOB ADDRESS/LOCATION
Old Ballground Hwy Canton, GA 30114

TERMS
Due upon Completion

PRICE VALID FOR
30 Days

DESCRIPTION	TOTAL
Removal including stumpgrinding of several Pine trees and other "trash" trees located on steep bank along Old Ballground Hwy. The area is defined as approximately between where the "Sumitomo Tire" sign is located across the street down to where the sewer cleanouts are located. Wood chips/mulch is to be sprayed back up on slope for soil retention stabilization. All landscape trees are to be left (Japanese Cherries, River Birch, etc)	29,500.00
NOTE - Pine trees will not re-grow from the stumps if that is the concern. You would save quite a bit of money by not having the stumps ground. The stumps/roots would then hold the bank for at least a couple of years before they rot allowing time for other vegetation to take over and not require additional stabilization. - Robin V Engram Certified Arborist #SO-2945A	
Removal to close to ground level of trees as noted above (without stumpgrinding)	18,500.00

Thank you for the opportunity to give you this proposal. We look forward to working for you.

Please see working terms and conditions on reverse. Upon acceptance of this proposal, SIGN AND RETURN ONE COPY. Keep the other copy for your records. We must have a signed copy of the estimate before any work can be performed. Thank you!

Payment is due in full upon completion of work unless prior arrangements are specified above.

There is a \$25.00 fee for any returned checks. Client agrees to terms shown and to pay reasonable collection fees. Client also agrees to pay any and all attorney and court costs. Late fee of 1.75% per month (21% annually) will be charged for each month that account is delinquent. Please pay from this invoice. Remit checks or cash to crew foreman or mail to address below. Make checks payable to C&C Tree Service, LLC. Client agrees to allow photos of job site to be used for advertisement/marketing purposes; C&C agrees to withhold identifying information related to photos, including name of client, address and location of private residences, and amounts paid for services.

Due to large equipment, we are not responsible for driveway, sidewalk, patio or other asphalt/concrete damage. Prices on stump grinding do not include the removal of stump mulch or filling holes with dirt.

Underground Pipes: If you have any questions about underground pipes or utilities call DIG ALERT 1-800-282-7201
