

STORMWATER ADVISORY AGENDA REPORT

FROM: Public Works
Prepared by: Merrick McClure

CC: City Clerk
Public Information

Agenda Item C: Gardenia Curve Stormwater Inquiry

DATE: July 14th, 2015

RECOMMENDATION

N/A

REPORT-IN-BRIEF

Initial inquiry investigation conducted 5.1.14 and was deferred to property management on 5.9.14 (see included emails/investigation reports). A second inquiry was submitted to the City on 4.10.15 and was deferred to property management on the same day and expressed that this inquiry is outside of the City's level of service for liability. On 4.10.15 property management expressed to the City that the Stormwater issue is a civil between the property owners and were explained of their responsibilities.
