Memorandum

Department of Parks & Recreation

Date: July 2, 2016

To: Mayor & Council

From: Tom Gilliam

Subject: Drones in the Parks

My recommendation for the use of engine-powered models, toys, and unmanned aerial systems would be as follows:

It shall be unlawful for any person to start, fly or use any fuel-powered engine, jet-type or electric powered model aircraft, boat or rocket or like powered toy or unmanned aerial system, except at those areas designated by the City for such use and then only in accordance with such rules, regulations and restrictions established by the Director or the Director's authorized agent.
