#### **Exceptions to Burning Prohibitions**

The Fire Chief may issue an open burning permit when special circumstances warrant exceptions to prohibitions against burning. Special circumstances would include:

- (a) Carrying out recognized agricultural procedures necessary for production or harvesting of crops;
- (b) Disposal of vegetative debris from storm damage; and/or
- (c) Any other special circumstances as determined by the Fire Chief.

#### **Safeguards and limitations for outdoor burning**

- (a) Recreational fires shall not be located within 25 feet of a structure or other combustible material. Conditions which could cause a fire to spread within 25 feet of a structure shall be eliminated prior to ignition. Burning is allowed between 10:00 a.m. and 10:30 p.m.
- (b) Any type of outdoor burning referenced in this article must be attended by an adult who must be watching the fire at all times. A water hose that can reach the fire or fire extinguisher must be on hand and ready for use if needed to limit or extinguish the fire.
- (c) When extinguishing an outdoor fire, no smoldering or hot coals shall remain.

### **Outdoor Burning Requiring a Permit**

No person shall start or maintain any outdoor burning listed in this section without first obtaining a permit issued by the City of Canton Fire Department:

- (a) A bonfire shall not be located within a minimum of 100 feet of a structure or other combustible material, and shall be a minimum of 300 feet from property lines. The bonfire shall not be located on any asphalt or concrete. There shall be a 100 foot clear area around the fire area, clear of combustible materials, debris or material that could cause fire to spread. Distances may be increased by the Fire Chief depending on the size of the bonfire. Burning is allowed between 10:00 a.m. and 10:30 p.m. The permit will be valid for specified dates and times.
- (b) Any type of outdoor burning referenced in this article must be attended by an adult who must be watching the fire at all times. An appropriate means for containing and/or extinguishing the fire shall be provided.
- (c) When extinguishing an outdoor fire, no smoldering or hot coals shall remain.
