CITY OF CANTON

Fiscal Year 2017 Operating Budget

General Fund

The General Fund's primary source of revenue are various taxes. The largest tax revenue consists of real and personal property taxes, but taxes also include items such as franchise taxes, insurance premium taxes, excise taxes and business occupation taxes. General Fund expenditures are categorized by function. Administrative activities include the budgets for Mayor and Council, City Clerk, City Manager, Finance, Tax, Technology, GIS, Human Resources, Public Information and General Government Buildings. The service functions include Public Safety, Public Works, Parks & Recreation, Community Development, Economic Development, and Municipal Court.

The Fiscal Year 2017 Budget for the General Fund has been prepared using a millage rate of 5.600. This is a tax rate reduction from the previous year.

II. Purpose

The Office of Information Technology will provide the highest quality technology-based services, in the most cost-effective manner, to facilitate the City mission as it applies to the management, teaching, learning, and community service.

III. FY 2016 Key Accomplishments:

Implemented a new City-wide Phone System
Upgraded the City's Access Control Door System

IV. Goals and New Initiatives

The IT Department will be launching a Wireless Initiative that will encompass the Downtown area and City Parks. Create a 2 year plan for implementing a City-Wide Automatic Meter Reading System. Implement City Wide Training Program for MS Office Suites, City Software Platforms, and various City used software.

V. Trends and Future Issues

Digital Workplace - The government workforce of the future will be populated with digitally literate employees, from frontline workers to top-level executives. The digital workplace is open and flat. It is the organizational manifestation of open government. We are taking a leadership role in building a more social, mobile, accessible and information-driven work environment.

Multichannel Citizen Engagement - A multichannel strategy, in the context of digital government, means more than delivering a seamless experience to stakeholders. It also is about delivering interactions that are connected, consistent, convenient, collaborative, customized, clear and transparent. To produce those outcomes, policymakers and CIOs must radically redesign service models by combining traditional marketing tools (such as focus groups, user experience labs, surveys and stakeholder analysis) with new approaches (such as citizen co-creation initiatives, agile development and design thinking).

Open Any Data - The number and variety of public-facing open datasets and Web APIs published by all tiers of governments statewide continue to increase. It is our goal to meet the demand. Open data is here to stay, but it will take a decade or more before its maximum utility is realized.

VI. Performance Measurements

162 Users Internal Users Served
30 Mobile Workstations
62 Mobile Device Users Served
317 Desktop Support Requests

VII. Level of Service and Budget Impact

To meet the Department's Mission, we will:

Provide effective technology support for audio/visual, computer, multimedia, voice, video, and web based applications and services to all areas of the City.

Promote and facilitate the effective integration of technology into the basic mission of the college through planning, programming, training, consulting, and other support activities.

Enhance, and manage the City's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources.

Develop and maintain highly effective, reliable, secure, and innovative information systems to support instructional, administrative and research functions.

Facilitate the collection, storage, security and integrity of electronic data while ensuring appropriate access.

Provide capabilities including the ability to develop and manage the distribution (and marketing) through broadcast, narrowcast, broadband, software, the Web and other telecommunications technologies City programs, products and services both within and beyond the City.

Promote new uses of information technology within the institution through the support for exploratory and innovative applications.

Provide leadership for effective strategic and tactical planning in the use of technology

Provide fast & reliable access to all information systems.

II. Purpose

The purpose of the human resources department is to support the goals and challenges of the City of Canton by providing services that promote a work environment that is characterized by fair treatment of staff, open communications, personal accountability, trust and mutual respect. It is the mission of the human resources department to develop, implement and support programs and processes that add value to the City of Canton and its employees, leading to improved employee welfare, empowerment, growth and retention. We will seek and provide solutions to workplace issues that support and optimize the operating principles of this organization. This department is dedicated to partnering with the other city departments to maximize the potential of our greatest, our employees. We are focused on delivering quality customer service and are committed to recruit, develop, reward and retain the very best workforce!

III. FY 2016 Key Accomplishments:

Completion of the Georgia Local Government Personnel Association (GLGPA) Certified Human Resources Manager (CHRM) certification. This certification requires the completion and passing of 12 out of 14 classes and a final project that will be reviewed by the association's board of directors. This training is a part of the Carl Vinson Institute of Government.

During FY2016 we were able to work closely with several departments to put in place the following items:

- Classification and Compensation Plan
- Personnel Policies and Procedures Manual
- Create a Wellness Committee
- Insurance Renewal including a Flexible Spending Account (FSA) with only a slight increase in premium.

IV. Goals and New Initiatives

Develop an achievable Wellness Program. With health care costs continuing to rise, this may be an option to help our employee become health conscious.

Reduce paper files and move towards an electronic filing system.

RFQ for Insurance Broker Services (Normally conducted every three years to keep competitive)

Continue to promote the City of Canton as a great place to work.

Identify and recommend opportunities for improving the overall benefits package for our employees.

Continue to work with the City Manager and other department heads to obtain and retain the best possible employees.

Create a list of training opportunities for City Employees.

Create an on-boarding process for new employees.

V. Trends and Future Issues

Some of the issues facing HR are: Stepped-up competition for talent making it difficult to attract the best employees; New Developments in Technology, which allows for more flexibility and productivity, but creates challenges in employee management and team building; Rising Sense of Insecurity - along with new technology comes data security concerns for both the employee and employer; Demographic changes - these changes include the aging workforce, different generations working together, the nature of family and parental roles, and increased diversity.

Changes to the Department of Labor's overtime rules – The new rule will require an employee to earn a salary of at least \$47,476 in order to be considered exempt from overtime and \$134,004 to be considered a highly compensated employee (HCE). This is up from the current \$23,660 for an exempt employee and \$122,148 for the highly compensated employee. This ruling will go into effect on December 1, 2016. Every three (3) years thereafter, there will be an automatic adjustment to the base salary to maintain the standard rate level at the 40th percentile of full-time salaried workers in the lowest-wage Census region (currently the South), and the highly compensated employee total compensation at 90th percentile nationally.

VI. Performance Measurements

Process the paperwork for 73 new hires, 4 retirees and 43 terminations (10/01/2014 through 04/01/2016).

Developed and revised the Personnel manual - adopted on December 17, 2015, effective January 1, 2016.

Developed an RFP for a Classification and Compensation Study which resulted in approximately 90% of employees receiving a pay increase and revised job descriptions for all positions.

Implement a new medical insurance plan to include a flexible spending account (FSA) card.

VII. Level of Service and Budget Impact

Requesting for a part-time employee in the Human Resources Department. The average number of HR employees per employee ratio is 2:1, we currently have approximately 143 full-time and 10 part-time employees on staff. We are growing and with this growth so does all the paperwork and assistance that is needed for each employee. Human Resources currently handles all the paperwork for all employees; assists with all interviews and disciplinary actions; processes all benefits and compensation files (insurance enrollments, invoices, rate changes, claims or questions etc.); processes all workers' compensation claims; prepares and revises job descriptions as needed; prepares and places help wanted ads; monitors, reviews and processes the electronic time clock; serves as backup for payroll; and all other duties as assigned.

II. Purpose

To protect the lives and property of the citizens and visitors of the City of Canton by providing the highest levels of service through prevention, education, suppression, rescue activities and the mitigation of effects from natural and man-made disasters.

Our vision is to continuously improve our level of service, enhance the quality of life and provide for the safety of the residents and visitors of the City of Canton. We will obtain this through Fire Prevention, Public Education, Training, Basic Life Support Service, Rescue, and Fire Suppression. The City of Canton Fire Department will set the standard of excellence for the Fire Service by defining, rather than chasing the future. We will dedicate ourselves to the safety of the community by providing the highest level of customer service possible in a responsive and proactive manner.

III. FY 2016 Key Accomplishments:

The City of Canton Fire Department add an additional 9 firefighters to our ranks in FY16. With the additional Firefighters we are now able to staff Truck 11 located in South Canton.

The city has retained the services of Wiley Wilson to design the Fire Station located on Highway 140. The bid opening is scheduled for July 15, 2016.

During the FY16 budget our Fire Marshal's office performed Fire Safety Education to over 3,000 citizens.

The City of Canton Fire Department purchased two Physio Control Lifepak 12 cardiac monitors during FY16. These monitors have the capability of acquiring 12 leads ECG, monitoring the oxygen concentration on the blood, monitoring a patients end tidal carbon dioxide levels, monitoring blood pressures, cardioversion of lethal heart rhythms, pacing of the heart and defibrillation of the heart when the heart stops beating. Our Paramedics are using the monitors on E11 and E16 currently.

The Fire Prevention office implemented a paperless inspection system to reduce cost and burden of paper files. Inspection reports are e-mailed directly to the customer, thus no paper is generated.

The Fire Prevention office has assisted the State Fire Marshal's office with inspections at the new hospital site, conducting most inspections without the state present

The Fire Prevention office has generated forms to assist customers with guidelines for commercial inspections, monthly log sheets for fire extinguishers and emergency lighting and fire watch logs, which are on the city web page for easy access.

The Fire Prevention office is using a customer based approach, inspection process where education and options and always first and foremost when discrepancies are found and resolve is required. In 2016 the City of Canton Mayor and Council approved the Battery Replacement Program.

IV. Goals and New Initiatives

Provide Training to firefighters in Urban Search and Rescue

Due to the increase in recreational activities available inside the City, the chance for an incident occurring where we might need a specialized search and rescue team has increased. The reservoir, the Etowah River, trail system (walking, hiking, running) have seen more and more activity as the City and surrounding area has grown. We have already seen several incidents at these locations.

Request an ISO review

Based on the new ISO standards implemented after our last evaluation, the improvements to staffing levels and training at the Cherokee County Training Center I will be requesting an ISO evaluation during the FY16 budget.

Fire Extinguisher Training for Citizens

By acquiring the fire extinguisher training equipment, we will provide training to business, city employees as well as the general public within the City of Canton.

Start a Volunteer Fire Chaplain Program

V. Trends and Future Issues

The City of Canton Fire Department reported a 30% increase in call volume from 2014 to 2015 and an increase of 34% from 2011 to 2015. As of April 30, 2016 we have responded to 1,249 call for service. This is an increase of 5.31% from 2015. Out of the 1,249 calls, 806 (64.53%) were Rescue and medical calls. Historically July thru December are the busiest months. In 2015 from January 1 to April 30 we responded to an average of 205 calls per month and July1 thru December 31 we responded to an average of 337 calls per month. In 2016 from January 1 to April 30 we have responded to an average of 312 calls per month. Based on the historical data and current call volume, we are projected to respond to approximately 4,500 calls for service this calendar year.

Self Contained Breathing Apparatus (SCBA) cylinders have a service life of 15 years. We have 54 cylinders that will be reaching the end of their service life in the next five years. I am purposing we replace ten per year over the next five years so to lessen the impact on current and future budgets. The cost the replace each cylinder is \$600.00 to \$900.00 each.

Our two front ling fire engines are; Engine 16 located at the downtown station. E-16 is a 2007 Smeal that has 83,796 miles with 8,467 hours as of June 20, 2016 and Engine 11 located in South Canton. E-11 is a 2006 Smeal that has 72,844 miles with 6,267 hours as of June 20, 2016. Based on the maintenance cost, age of the trucks and millage of these trucks I am requesting to replace E-16, E-28 and our Reserve Engine, a 2001 Pierce with 60,986 miles with two new engines and make E-11 a reserve engine. The estimated cost per engine is \$600,000.00 each. If approved, it will take +-300 days after the bid is awarded for the truck to be delivered.

The Downtown Fire Station was constructed in 1928 as the Post Office for the area. City Hall move into the building in 1973 after performing some minor renovations. In 2005 the city approved CH2M Hill to perform evaluation of the building and systems. In the report CH2M Hill notes;

The windows are in poor condition, to the point the wind passing through can blow out a small flame.

The electrical system is over 30 years old. In general, the system is constructed in a residential nature rather than commercial. There are wires found to be wrapped in cloths insulation. The insulation is brittle to the touch and represents a safety hazard. There is no fire alarm in the building as required by code

The plumbing system is the original system with very few exceptions. The galvanized steel is of odd size by today's standards making repair difficult if not impossible. We currently have "Gorilla" tape wrapped around a pipe to keep it from leaking (this was the fix from a plumber due to not being able to repair). Some of the faucets, drain pipes and piping supports are corroding and/or broke.

The city has conducted some asbestos abatement; however there are still copious amounts remaining in the building that needs abatement.

Additional items can be provided upon request.

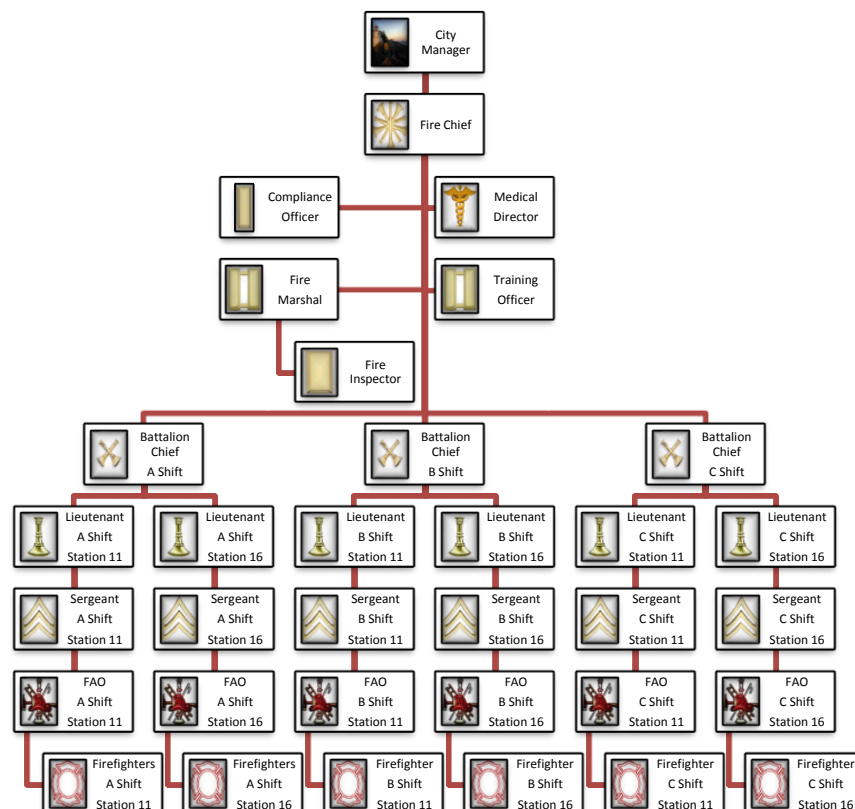

VI. Performance Measurements

Canton Fire Department Responded to: 93 Fires, 11 Explosions, 2,360 Rescue and Medical calls, 83 Hazardous Conditions (no fire), 541 Service calls, 534 good intent calls, 204 false alarm and false calls, 5 severe weather and natural disaster calls 8 special type calls, Conducted Fire Safety Education to over 3,000 citizens and conducted 329 fire inspections in 2015

VII. Level of Service and Budget Impact

Two replacement Fire Engines to replace three fire engines.

II. Purpose

The mission of the City of Canton's Economic Development Department is to develop, promote, and implement plans, programs, and policies to attract and retain businesses and industries to the City.

III. FY 2016 Key Accomplishments:

Launched SelectCanton.com, the City's very first economic development website.

Nearing completion of #CantonForward, the City's LCI Master Plan update for Downtown and the River Mill District. Granted approval from the DCA for an Opportunity Zone in the Canton Textile Mills. The incentive provides a State tax credit of \$3,500 per created job whenever 2 or more full-time jobs are created.

Recruited Ollie's Bargain Outlet to the old K-Mart site.

Assisted with the openings of Mancini's Italian Tradition and B.Little downtown

Coordinated the City's LCI Application and subsequently, the City's Downtown Master Plan, #CantonForward: Etowah to the Loop

From beginning to end, helped coordinate all phases of #CantonForward: Etowah to the Loop

Collected and coordinated a Downtown Revolving Loan Fund Award of \$150,000 for a new restaurant downtown that will additionally lead to the creation of 30 new jobs.

Worked with the Cherokee Office of Economic Development to recruit the film Hidden Figures to Downtown Canton.

Coordinating the City's new Branding and Marketing Strategy. Selecting a firm is now in process.

Assisted and provided information to the DDA regarding the Board of Education sale for mixed use development.

Launched discussions of a new City Special Events Permit.

Co-chaired a session of both, Leadership Cherokee and Teen Leadership Cherokee with the Cherokee Chamber of Commerce

Inaugurated as President of the Rotary Club of Canton, scheduled for June 28, 2016

IV. Goals and New Initiatives

Complete the City Branding and Marketing Strategy and roll out the new brand for the City's future.

Upon completion of the City Branding and Marketing Strategy, begin work on Gateway and Wayfinding Signage.

Work with the City Council, the Cherokee Office of Economic Development, and TPA on a plan to re-envision The Bluffs.

Create a City Business Recruitment Package to be sent to the targeted businesses and industries and commercial developers.

Coordinate amendments to the City's current alcohol ordinance with the DDA and City Council.

Research the potential for Gigabit Fiber Optics Speeds for The Bluffs.

Compile the most recent and comprehensive data available to show prospective investors.

Identify property to re-zone for Light Industrial uses. Create a Film Permit specific to for film projects and inquiries.

Implement the City's new branding and messaging across all social media, economic development, tourism, downtown development, and all municipal mediums.

Create a plan for the Jones Building. Additionally, host a Developer's Day with the DDA.

Gather all information and data for visible display on SelectCanton.com and future business recruitment packages tailored to prospect needs.

Revise the City's Occupational Tax License and processing system.

Complete a City of Canton Media Production Permit for film production in the City.

V. Trends and Future Issues

Many current issues are related to the inconsistency, misalignment, and absence of a consistent message relative to who we are as a City and what we have to offer that other communities cannot.

The City still has a need for more data and tools to develop the Canton product. Accessibility to data for better analysis of local businesses, consumer trends, and local demographics.

The City Branding and Marketing Strategy will impact marketing, tourism development, downtown development, and citywide messaging.

II. Purpose

The Cemetery Fund accounts for the revenues and expenditures for Southview Cemetery.

III. FY 2016 Key Accomplishments:

2016 has not been a banner year for Southview and Sunnyside Cemeteries. Without absolute surety of vacant, available lots, the selling of burial rights has been very limited. Only two lots have been sold this year.

Message board installed

Ground penetrating radar completed

25 "Unknown" markers purchased

2 Trash receptacles purchased

3 Burials

Will be filing petition in Superior Court requesting return of approximately 160 abandoned lots

IV. Goals and New Initiatives

Planting of markers for nearly 70 unmarked graves

Clearing of trees downed in the 2013 tornado

Announcement to local funeral homes that lots are again available in Southview Cemetery

Application for preservation grant for repair and resetting of damaged headstones

Planting of Monarch Butterfly Garden

Confiscated Assets Fund

I. Budget Overview

FY 2016 Budget	\$25,000
FY 2017 Budget	\$15,740
Change in Budgets	-37%
FY 2016 FTEs	0
FY 2017 FTEs	0

II. Purpose

The Confiscated Assets Fund accounts for monies received from grants and monies seized by law enforcement as a result of criminal activity. It's use is restricted to "law enforcement purposes" and any/all expenditures are governed by federal and state law.

III. FY 2016 Key Accomplishments:

During FY2016, we were able to use over \$13,000.00 of confiscated monies to re-model our Support Services Bureau to include the Criminal Investigations Division. The new additions afforded our Command, Supervisory Detective and Administrative Staff updated and more user friendly Office space. Not only did it improve the work environment but ensured no tax payer money was used in this project.

During FY2016, we also used this money to provide the opportunity for several of our Supervisors to attend FBI Law Enforcement Executive, Command and Supervisor leadership courses.

IV. Goals and New Initiatives

Continue to use confiscated funds to provide the latest training for our employees to ensure they are receiving the best training available to assist them in developing their careers which also betters the service of this Police Department to our Community.

Reviewing at this time to possibly use these funds to enhance our Bike Unit in an effort to have a Bike Officer on each shift and in our Special Operations Division.

Reviewing the possibility of creating additional office space for our Training Unit as our Special Operations Division is projected to grow therefore limiting space in that are of our building.

V. Trends and Future Issues

Additional advanced specialized training.

Hotel/Motel Tax Revenue over Six Years

**II. Purpose**

The 8% Hotel Motel Tax Fund is used to account for the collection of the City's Hotel Motel taxes as well as the associated disbursements of these funds to various local authorities engaged in economic development and the promotion of tourism, conventions and trade shows.

III. FY 2016 Key Accomplishments:

Initiated a City-wide Branding Study

Funded the creation of a Communications/Public Information position

Assisted the City in transitioning the ownership/operation of the City's Theatre

IV. Goals and New Initiatives

Complete the branding study; review study and recommend first phase of implementation

Update theater interior lighting

Make disbursements to Hotel/Motel Tax Recipients more streamlined

Create a Public Wi-Fi to cover the Downtown Historic Loop.

V. Trends and Future Issues

Pay off of Golf Course property. With only two more payments, final in October 2017, this will free up additional funds to be used elsewhere to promote tourism.

Expansion of City-wide Wi-Fi to other areas beyond the Downtown Historic Loop.

VI. Performance Measurements

Almost a 100% increase in Hotel/Motel Tax Revenues over the past five years

FY 2017 FTEs	0

Expenditure by function

II. Purpose

In 2015, the City of Canton levied a three percent tax on motor vehicle rental charges made within the City. The Rental Car Tax Fund was created to account for the collection of the rental car taxes as well as the associated disbursements of these funds

The proceeds of this tax will be used to promote industry, trade, commerce and tourism.

III. FY 2016 Key Accomplishments:

For the past two year, the City of Canton has used a portion of these funds to contribute to the Cherokee County Office of Economic Development. Their primary objectives are to stimulate business investment, strengthen area employment, build and diversity high-value industry and improve the overall economic environment in the region. The Rental Car Tax Fund contributes \$20,000 per year toward this endeavor.

IV. Goals and New Initiatives

Continue to monitor revenues and consider needed projects/expenditures.

I. Budget Overview

FY 2016 Revenues	\$3,439,500
FY 2017 Revenues	\$3,489,358
Change in Budgets	1%
FY 2016 FTEs	-
FY 2017 FTEs	-

II. Purpose

The SPLOST VI Fund is a capital projects fund that accounts for the financial resources from a one-cent special purpose local option sales tax (SPLOST). The referendum was voted on and approved by Cherokee County voters in November 2010. SPLOST VI began on July 2012 sales within the County, subsequent the collections from the prior SPLOST (#V). Over the course of the six year tax, SPLOST VI is expected to raise approximately \$17,304,000 for use on capital projects for the City. The City has projected uses as follows:

Transportation Facilities and Improvements	\$ 6,000,000
Park and Recreation Facilities	\$ 4,800,000
General Government Buildings	\$ 2,300,000
Fire Facilities and Equipment	\$ 504,000
Water, Wastewater Facilities, Equipment and Debt Service	\$ 3,700,000
	<u>\$ 17,304,000</u>

III. FY 2016 Key Accomplishments:

Substantial completion of the Etowah-Heritage Park Trail System
Paved/resurfaced more miles of City Streets than in any prior period
Completed the Laurel Canyon Fire Station Site-prep work as well as finished the design and bid portions of the project.

IV. Goals and New Initiatives

Continue an aggressive approach to bringing City Streets up to excellent condition

V. Trends and Future Issues

As the end of collection period for the current SPLOST is on the horizon, the City must look toward planning for the next SPLOST. What projects would the citizens like to see complete? What are the needs and demands of the City? Answering these questions will help decide what projects the City requests to be placed on the upcoming referendum. The current SPLOST was voted on in November, 2010. Therefore, the City should expect a referendum within the upcoming year.

**CITY OF CANTON
CANTON BUILDING AUTHORITY (310)
SUMMARY**

The Canton Building Authority (CBA) is a component unit of the City of Canton. The purpose of the Authority is to finance the construction of new facilities for the City of Canton. The CBA has issued bonds to finance this construction and subsequently accounts for the debt service of these bonds. Funds to accommodate this debt service are provided by the General Fund, SPLOST Fund(s) and the Water and Sewer Fund.
