

City of Canton Special Events Policy

151 Elizabeth Street, Canton, Georgia 30114
770-704-1500

A special event is any planned gathering that occurs on City public property. If you are unsure if your event is covered by this policy, please contact the Public Outreach Manager.

Read through all of the information contained herein to ensure you are aware of all City requirements and associated costs. Then complete the Special Event General Application and the applicable Event Application. Submit the applications to the Public Outreach Manager as follows:

- (1) Not less than seven (7) days prior to a Free Speech Event (as defined in Section 10-133 of the City Code;
- (2) Not less than two (2) weeks prior to an event if the anticipated crowd will be less than 100 people;
- (3) Not less than ninety (90) days prior to an event if the anticipated crowd will be more than 100 people but less than 500 people;
- (4) Not less than ninety (90) days prior to an event if road closures are required for the event;
- (5) Not less than six (6) months for any event which is anticipated to have more than 500 people in attendance;
- (6) Not more than one (1) year prior to an event;
at least 90 days prior to the event.

Allow 30 days processing of your applications.

All necessary documentation, such as certificate of insurance and any permits not issued by the City, must be submitted as soon as possible but at least 2 weeks prior to avoid cancellation of the event. The City of Canton reserves the right to cancel any scheduled event.

The standards for granting a permit are as follows:

(a) The conduct of the event will not substantially interrupt the safe and orderly movement of other pedestrians or vehicular traffic in or contiguous to the route or location of the event.

(b) The conduct of the event will not require the diversion of so great a number of public safety personnel or equipment of the city to properly secure the event area and the areas contiguous thereto as to prevent the current level of public safety services from being furnished to other parts of the city.

(c) The concentration of persons, animals and/or vehicles at the event will not unduly interfere with proper fire and police protection or ambulance service to areas contiguous to the event area and other areas of the city.

(d) Adequate sanitation and other required health facilities are or will be made available in or adjacent to the event area and the applicant has agreed to clean the right-of-way or public property of rubbish and debris, returning it to its pre-event condition, within 24 hours of the conclusion of the event with the understanding that failure to do so will result in the city conducting the clean-up and charging the applicant with any and all costs associated with the clean-up.

(e) The conduct of the assembly will not result in noise at a level inappropriate for the area(s) surrounding the event.

(f) There are sufficient parking places near the event to accommodate the approximate number of automobiles reasonably expected to be driven to the assembly, such number to be estimated by the chief of police.

Special event applications may be declined for the following reasons:

(a) failure to meet the above standards, and public safety and infrastructure concerns, size of the event, lack of required permits, inability to accommodate request for use of City property or personnel, or failure of the event organizer to satisfactorily comply with City requirements at a previous event.

(b) The event will disrupt traffic within the city beyond practical resolution.

(c) The event will interfere with access to fire stations and/or fire hydrants.

(d) The location of the special event will cause undue hardship to adjacent businesses or residents.

(e) The event will require the diversion of so many public employees that allowing the event would unreasonably deny service to the remainder of the city.

(f) The application contains incomplete or false information.

(g) The applicant fails to comply with all terms of this article including failure to remit all fees and deposits or failure to provide proof of insurance/certificate of insurance, proof of authorization from applicable outside entities such as licenses or permits required by federal, state or county officials for alcohol licenses, food service, fireworks, bonds, and a save harmless agreement to the city.

(g) Cannon Park and Downtown Canton are limited to one event per month that is not an event that is put on by the City or one of its component units which will require the closing of city streets.

We recommend not announcing or advertise your event until the applications have been approved.

Changes and/or modifications to event permit require a new permit to be submitted for review and is subject to denial.

We recommend the applicant meet with the City of Canton Public Outreach Manager to review application to support a successful event.

ARTICLE III - SPECIAL EVENTS

Sec. 10-130 - Purpose.

The city council recognizes the impact that special events have on the availability of city services and therefore adopts this procedure to license and regulate activities of this nature.

Sec. 10-131 – Definition; Permit Required.

“Special Event”, as used in this article, means any activity which occurs upon private or public property:

(a) that will affect the ordinary use of parks, public streets, rights-of-way, sidewalks, or otherwise impacts the delivery of public safety services.

(b) that disrupts the flow of traffic on public streets or sidewalks

No person or organization shall advertise, engage in, participate in, aid, form or start any special event, unless a special event permit shall first have been obtained from the city manager or his designee. Private social gatherings located on private property which will make no use of city streets other than for lawful parking do not require a permit.

Sec. 10-132 - Exemptions.

The following activities are exempt from the special event permit requirement:

(a) Funeral processions;

(b) Activities conducted by the City of Canton or one of its component entities;

(c) Activities involving a demonstration, march, assembly, or other exercise of rights guaranteed by the First Amendment of the United States Constitution (“Free Speech Event”) unless the activity will affect the ordinary use of parks, public streets, rights of way, sidewalks or the activity will disrupt the flow of traffic on public streets or sidewalks;

(a) Permit fee.

(1) Cost analysis. The city manager or his designee shall send copies of special event applications to all city departments who may be impacted by the event. Each department shall evaluate and itemize the costs associated with this event for their department, the total of which shall be the permit fee. The city manager or his designee shall compile the departmental figures and give in writing to the applicant the final cost of the permit fee (to include any city facilities/city personnel/park rental fees) as soon as practicable but not later than ten business days after the completed application has been received.

(3) Refund. If the event does not take place due to inclement weather, fire, or other public safety emergency, and the event cannot be rescheduled within three months from the original date, a refund for the permit fee will be given to the applicant. There will be no refund of the permit fee nor deposit if the applicant fails to notify the city of an event cancellation no less than fourteen days prior to the date of the event. The city manager, or his designee, shall issue a permit as provided herein upon receipt of verification from the applicable city department directors that the standards for issuance of the permit have been substantially satisfied or found not applicable to the requested permit.

Sec. 11-139 - Standards for denial of permit; Notice; Appeal.

(a) The city council shall establish standards for the denial of special events permits in the special events policy.

(b) Should the application be denied, the city manager or his designee shall notify the applicant by personal delivery or certified mail within seven business days of the denial. A copy of this notification shall include the reasons for the denial of the permit and shall advise of the appeal procedure.

(c) Any applicant aggrieved shall have the right to appeal the denial of a permit or revocation of permit to the city council. The appeal shall be submitted by the applicant within five business days after receipt of the notice of denial by filing a written notice of appeal with the city manager. This includes court costs and attorney's fees, including appeal, or any and all claims for damage to property or injury to or death of persons arising out of or resulting from issuance of the permit or the conduct of the event or any of its participants or the revocation of the permit for reasons herein stated.

Sec. 11-144. - Save harmless agreement.

The applicant is required to provide a save harmless agreement in which the applicant agrees to defend, pay and save harmless the city, its officers and employees, from any and all claims or lawsuits for personal injury or property damage arising from or in any way connected to the special event; excepting any claims arising solely out of the negligent acts of the city, its officers and employees.

Sec. 11-145. - Penalties for offenses; misrepresentation.

Any person violating any provision of this chapter shall, upon conviction, be punishable as a misdemeanor as provided by the Code of the City of Canton. Each day such violation is committed or permitted to continue shall constitute a separate offense.

If, at the discretion of the city manager or his designee, the city has to provide additional personnel due to the applicant misrepresenting facts on the application; or failure to provide agreed upon private security/staffing; or for any other just and lawful reason and for protection of public safety, it shall be at the sole expense of the applicant.
