Update on Farmer's Market Project

6:20-6:30 pm

-Report Brandon Young and Roy Taylor

Brandon and Roy presented that the Main Street Board is manning this project. We offered our assistance to the MSB should they need it.

Touching Base – Subcommittee “Technology”

6:30-7:00

-Report from Subcommittee on their discussions/findings

-Roundtable discussion on The Future of Canton's “Technology”

Brandon presented the results of the first Technology Sub meeting identifying subject areas. Subject areas are as follows:

- 1. Citywide Wi-Fi Access – Sub to meet with MSB for update**
- 2. Implementation of Downtown Electric Vehicle (EV) charging stations**
- 3. Create a program to move certain city owned vehicles to EV**
- 4. Improving overall city communications: City Government, local business, and residents via website, information kiosks, and mobile phone apps. (Perhaps offer advertising through the city for local merchants.**
- 5. High Speed Internet Access availability. Access to Fiber. Pursue Google Fiber.**
