Agenda Items:

Call to order

Micah Fowler call the meeting to order at 4:10pm

Item 1: Old Business

Sidewalk Ordinance – Director had spoken with the city lawyer about suggestions this committee had on the ordinance at the last meeting. Lawyer returned with question about is the committee could pick specific colors for sidewalk umbrellas in the ordinance. This committee suggested black, burgundy, and white. Director will relay info to the lawyer.

Wayfinding Signage – Committee would like Director to contact the Economic Development Manager, Matthew Thomas, about whether or not that departments plans for wayfinding signage includes creating signs for the downtown area.

Façade Drafts – Committee was presented with the complete façade draft collection for downtown business. Committee needs to meet again to discuss how to get these suggested façade upgrades to business owners. Committee should look up National Trust preservation grant funds. Committee needs to look into creating an informative event for preservation.

App Design – App needs to be brought up to Board to discuss tagging onto a city-wide app.

Item 2: New Business

Excess City Signs – Design Committee needs to discuss which downtown signs need to come down. Mr. Wilson will look into it and present findings at next design committee. Committee will then inform PW and make sure removal of excess signs is still OK.
