*Also present was:

**2. Discuss Partnership Agreement with Cherokee County
Schools**

Mr. Peppers provided a copy of the existing partnership agreement between Cherokee County Schools and the City of Canton as adopted December 2, 2010. The agreement expired December 1, 2016. The group reviewed the document and discussed updating City related information including vision and mission paragraphs and some of the basic information, which Mr. Peppers stated that Angela Thomas in the Communications Department would handle. Additionally, Mr. Peppers stated that the City would be more specific with the current use of Boling Park areas given the new construction and existing uses of that area. The Mayor's Youth Design Team would be eliminated, per the Mayor, and specific City facility assistance, such as the Canton Theatre and other parks would be included.

The group asked Mr. Peppers to return revised agreement from the City side and any County changes at a future date for recommendation to the full Council.

3. Adjourn

Councilmember Wilson moved to adjourn with Councilmember Yawn seconding the motion. It passed unanimously.
