**2. Review Mayor & Council Compensation in Cherokee
County & Greater Atlanta Region**

Councilmember Rust discussed his reasoning for asking Council to look at increasing compensation including the number of meetings and activities that the elected officials are responsible for attending as well as time to review information for meetings. The group discussed having a solid logic as to the "why" a compensation review was necessary. Mr. Peppers added that it would be good for the elected officials to review this more frequently given state guidelines than to wait so many years in between potential changes.

The group asked Mr. Peppers to return with a recommended adjustment and the background information for such recommendation.

The group decided to meet again on Tuesday, May 16, 2017 at 4:30 p.m. to discuss further.

3. Adjourn

Councilmember Yawn moved to adjourn with Councilmember Rust seconding the motion. It passed unanimously.
