Agenda Item Title:

Discussion and Possible Action on South Canton Park Project

Summary:

On August 21, 2025, the City issued a Request for Proposals (RFP) for the complete construction of South Canton Park. This project represents a significant investment in expanding recreational amenities for the community and includes a wide range of site and facility improvements.

Project scope includes: site grading and preparation, water and sanitary sewer utility installation, stormwater conveyance and detention facilities, site lighting and parking lot construction, restroom building and shade pavilion, small amphitheater with stage, dog parks with splash pads, playgrounds, walking paths and trails, including an elevated boardwalk, irrigation system with cistern, site furnishings and landscaping.

The City received eight (8) responsive bids by the submission deadline of September 18, 2025.
