This item has been postponed until the November 7th meeting.

- B. Discussion and Possible Action on Annexation (ANNX2405-008), Rezoning (RZON2404-011), and Conditional Use Permit (CUP2404-012) for 1610 Butterworth Road, 1618 Butterworth Road, and 8420 Knox Bridge Highway for a Proposed Townhome Development - Zoning Administrator Steve Green

Attachments: [Butterworth Rd & Knox Bridge Hwy Townhomes](#)

Zoning Administrator Steve Green stated the representative of the applicant submitted a request for these items to be deferred for 30 days. Mr. Green noted the applicant is seeking to build a 41-unit townhome development. In addition, the applicant is seeking a variance to the required buffer along the east side of the property. The original site plan showed two entrances however a revised site plan has been submitted showing one entrance on Knox Bridge Highway. Mr. Green noted the proposed development is slightly denser than the City's Comprehensive Plan for that area. Also, the City's Comprehensive Plan calls for

single family detached homes. Councilmember Yawn asked what staff recommends for this project. Mr. Green stated due to the density and type of housing requested, staff recommends denial because the project is not in line with the Future Land Use Plan. Councilmember Yawn made a motion to deny the annexation request. Councilmember Johnson seconded the motion, and it was approved unanimously.

- C. Discussion and Possible Action on Contract Amendment with TSW for South Canton Park - Public Works Director Scott Hooper

Attachments: [TSW Contract Amendment](#)

Public Works Director Scott Hooper stated the contract amendment is \$31,000.00. Councilmember Yawn made a motion to approve the contract amendment with TSW for South Canton Park. Councilmember Tolan seconded the motion, and it was approved unanimously.

- D. Discussion and Possible Action on Awarding Bid to Flock Safety for Park Security Camera Solutions Request for Proposals - IT Director Mike Morgan

Attachments: [Flock Security Camera Solutions](#)

Mr. Ingram noted a revised contract was provided to Council and was approximately \$12,000.00 higher than the original contract. This increase is for additional inputs to integrate the City's existing cameras. Councilmember Yawn made a motion to award the bid to Flock Safety for Park Security Camera Solutions. Councilmember Johnson seconded the motion, and it was approved unanimously.

- E. Discussion and Possible Action to Engage Raftelis for the City's Impact Fee Program Update - City Planner Brittany Anderson

Attachments: [Impact Fee Program Update](#)

Ms. Anderson stated the total amount for the update is \$92,264.00, which is under the original budgeted amount of \$100,000.00. Councilmember Johnson made a motion to approve engaging Raftelis for the City's Impact Fee Program update. Councilmember Yawn seconded the motion, and it was approved unanimously.

- F. Discussion and Possible Action on Hospital Drive/Medical Lane Sanitary Improvements to KAM Contracting in the Amount of \$120,422.00 - City Engineer Bethany Watson

Attachments: [KAM Contracting - Sanitary Improvements](#)

City Engineer Bethany Watson stated that during the construction of the new residential development known as Accent Overlook, the City became aware of issues with the existing sewer. Due to the depth of the existing sewer line that would need replacement, City Staff has worked with three contractors to obtain quotes for the necessary improvements. Ms. Watson stated with time constraints on the owner and potential loss of sewer service, this is considered an emergency situation and action is requested at this time. City Attorney Bobby Dyer proposed the motion to find that the circumstances of an emergency exist and move to approve as an emergency item sanitary sewer improvements on Hospital Drive and Medical Lane to KAM Contracting in the amount of

\$120,422.00. Councilmember McGrew so moved the motion as proposed by Mr. Dyer. Councilmember Yawn seconded the motion, and it was approved unanimously.

- G. Discussion and Possible Action on the Award of Task Order 7 for the Transportation Improvement Project Marietta Highway/Riverstone Parkway at Highway 140 Intersection Improvement Project Design Services to Michael Baker International in the Amount of \$501,518.05 - City Engineer Bethany Watson

Attachments: [Michael Baker International - Task Order 7](#)

Ms. Watson noted that 80% of the project is funded through Georgia Department of Transportation (GDOT) and Atlanta Regional Commission (ARC). The other 20% is funded through the City by Impact Fees and Special Purpose Local Option Sales Tax (SPLOST). Councilmember Tolan made a motion to award Task Order 7 for the Transportation Improvement Project Marietta Highway/Riverstone Parkway at Highway 140 Intersection Improvement Project Design Services to Michael Baker International in the amount of \$501,518.05. Councilmember Johnson seconded the motion, and it was approved unanimously.

- H. Discussion and Possible Action on the Award of the Harmon Field Lift Station Improvements Project to BH Gregory, LLC in the Amount of \$132,937.30 - City Engineer Bethany Watson

Attachments: [BH Gregory, LLC](#)

Ms. Watson stated that one bid was received on September 17th for the Harmon Field Lift Station Improvements Project. This project was previously bid with no bidders. Ms. Watson noted that this bid is well below the engineer's estimate of \$305,000.00. Staff recommends approval of the project. Ms. Watson stated this project is more of an exterior improvement project which will help with odor control and bring the exterior up to the standards of the newly renovated Harmon Park. Councilmember Tolan made a motion to award the Harmon Field Lift Station Improvements Project to BH Gregory, LLC in the amount of \$132,937.30. Councilmember Johnson seconded the motion, and it was approved unanimously.
