PUBLIC SCHOOL POLICY STATEMENT

The Mayor and Council of the City of Canton hereby recognize that growth and development can, at times, have an effect on school capacity within the county and therefore recognize the need to share information on developments that have regional impact. In an effort to cooperate with the Cherokee County School Board and share information on residential rezoning requests, master plan applications, and land use modifications to the comprehensive land use plan, the Mayor and Council hereby encourage open dialogue and meeting between the applicant and the appropriate school board representative. Therefore, developers whose projects consist of 25 or more residential units shall contact the Cherokee County School Board and communicate with a school board representative to discuss their intent. The applicant should be prepared to address such communication if requested by the Mayor and Council at the meeting in which final action is to be taken. (Section 8-8-B-37) (Amended: 12/07/00)

Canton Board of Appeals Review Criteria

Article H, Section 8-8-H-195 empowers the Board of Appeals to authorize variances from provisions of the Zoning Code pursuant to a finding based in the criteria listed below. Please respond to the following.

(Applications Type K : ONLY)

Are there any extraordinary and exceptional conditions pertaining to the subject property because of its size,

shape or topography? THE VARIANCE IS BEING REQUESTED TO ALLOW FOR COMPLIANCE TO

DUNKIN' BRAND STANDARDS

Would the application of the Zoning Code standards as they relate to the subject property create an unnecessary

hardship? EXCLUSION OF THE SIGN ELEMENTS WOULD LEAVE THE STORE OUT OF COMPLIANCE

Has the condition from which relief or variance is sought been a result from action by the applicant? NO

Are there conditions peculiar to the subject property? NO

Would relief, if granted, cause substantial detriment to the public good or impair the purpose and intent of the Zoning Code? Specifically, would the variance impair an adequate supply of light and air to adjacent property or unreasonably increase the congestion in public streets or increase the danger of fire or imperil the public safety or unreasonably diminish or impair established property values within the surrounding areas, or in any other respect impair the health, safety, comfort, morals or general welfare or the inhabitants or the City? THE SIGN VARIANCE IS BEING REQUESTED TO MEET DUNKIN' BRAND STANDARDS AND PROVIDE

PROPER VISIBILITY OF THE STORES GOODS AND SERVICES.

Provide a Letter of Intent, which provides the necessary information to support your application for Variance.

LETTER OF INTENT

This letter is to define what is being requested in the Variance for the Dunkin' property located at 121 Mareietta Hwy.

- A. Side Elevation - Allow One (1) set of 24" LED Illuminated Channel Letters reading "Dunkin'" (see attached)

Reason for Variance Request:

Variance is being requested due to maximize the proper visibility of all signs. Time to properly view the advertized word marks would be minimized at the rate speed of vehicles on adjoining roads. The owner is concerned about the possibility of the signs and symbols of the wall signs being mitigated when vehicles are traveling at the normal rate of speed of potential customers passing by.
