Agenda Item Title:

Discussion of the Reservoir Manager Position at Hickory Log Creek Reservoir located on Lake Canton

Summary:

The Reservoir Management Plan of the City of Canton calls for the appointment of a Reservoir Manager for the Hickory Log Creek Reservoir at Lake Canton. The position is outlined to be an employee of the City of Canton, however, the duties associated with the position at this time do not require full-time services. Most of the duties related to the Reservoir Manager are related to use of the reservoir, ability to review permits, protection of the buffer of the reservoir, and making determinations about use related to the project agreement between the City of Canton and Cobb County Marietta Water Authority. There is a full time Reservoir Superintendent that is an employee of CCMWA that is jointly funded through the project by the City of Canton. Staff would like to discuss with Council about this position and potential options for utilizing the Reservoir Superintendent to assist in filling the Reservoir Manager role.

Budget Implications:

Budgeted? ☐ Yes ☐ No ☒ N/A

Total Cost of Project: _____ Check if Estimated ☐

Fund Source: General Fund ☐ Water & Sewer ☐ Sales Tax ☐ Other: _____
