Attachments: [FY 2026 Mid-Year Budget Amendment](#)

This item was presented by Finance Director, Mr. Ryan Lockett. Primary reasons include financing for items approved in that were not originally in the budget, increase expenses for items that have come in over budget, and to reflect the start of Transportation Special Purpose Local Option Sales Tax. Mr. Lockett reviewed specific items outlined in the amendment. The amendments impact the general fund with \$1,226,174 in additional revenues and expenditures, the hotel tax fund with \$33,204 in revenues and expenditures, TSPLOST with revenues of \$3.7 million and \$400,000 of expenditures, and in the sanitation fund \$100,000 in

revenues and expenditures. The Mayor appreciated hearing the adjustments mid-year. He asked about the increase in fire service costs and the timing of that actual cost versus our budget adopted. Mr. Lockett noted that it is a guessing game based upon the two groups approving tax rates and budgets in the same time frame. Staff will request action on the Budget Amendment on June 4.
