The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by owner if the work is not completed on time. Accordingly, instead of requiring any such proof, owner and contractor agree that as liquidated damages for delay (but not as a penalty), contractor shall pay owner \$300 (three hundred dollars) for each day that expires after the time specified in paragraph 3.01 above for substantial completion until the work is substantially complete.
