A. 13 Riverdale Circle - Design Request for Proposed Major Rehabilitation, Reconstruction, and Addition to an Existing Residential Structure - Applicant: Elmer Guzman

Attachments: [COA2510-132 Documentation](#)

*City Planner Tyler Peoples briefed the Commission of the details of the request. Mr. Elmer Guzman represented himself as the Applicant.*

*Commissioner Price asked if siding was to be placed over the CMU block on the addition.*

*The Commission asked Mr. Guzman if he was willing to exchange the stucco on the addition for siding and add a window on the front elevation. Mr. Guzman stated he was amenable to the suggestions. The Commission asked about a handrailing and the need to see drawings prior to approval. Mr. Peoples offered the Commission the option of creating a condition that the handrailing be consistent with others on the street and meeting all building and life safety standards.*

*The Commission asked Mr. Guzman if he was willing to do wood siding or cementitious siding. Mr. Guzman stated he would not like to do wood siding but was amenable to smooth-textured cementitious lap siding.*

*Commissioner Price made a motion to approve the design request as submitted with the following conditions:*

- (1) *All proposed stucco and vinyl lap siding shall instead be smooth-textured cementitious lap siding on all building elevations.*
- (2) *Installation of a window on the front proposed elevation of the addition to match existing windows on the front elevation.*
- (3) *Installation of a handrailing consistent with those present on Riverdale Circle and which meets all building and life safety standards.*

*Commissioner Stanton seconded the motion, and it was approved unanimously.*
