City Engineer

**Agenda Item Title:**

Discussion on the Award of Aspect on the River Vault Install to Cummins Enterprises in the amount of \$73,712.57

**Summary:**

The current vault for Aspect on the River sits along the Etowah River. Over the past few years, the area around the vault is severely eroded and is in danger of detaching from the main water line. This would not only cause significant damage to our main, but would also put the Aspect on the River out of water for a significant amount of time. City Staff has received 3 quotes to replace the vault in a safer area. Cummins Enterprises was the low bidder.

**Budget Implications:**Budgeted? ☒ Yes ☐ No ☒ N/ATotal Cost of Project: \$ 73,712.57 Check if Estimated ☐Fund Source: General Fund ☐ Water & Sewer ☒ Sales Tax ☐ Other: \_\_\_\_\_**Staff Recommendations:****Reviews:**Has this been reviewed by Management and Legal Counsel, if required? ☐ Yes ☐ No**Attachments:**
